YOUR PREMIERE REAL ESTATE VIDEO SYNDICATION NETWORK

www.realestatechannel.ca

Real Estate Channel is North America's premiere real estate video syndication network. Our marketing platform pushes your home for sale to some of the biggest real estate websites on the internet and makes the most out of social media technologies. Sites like YouTube, Craigslist, Facebook and Twitter will advertise your home for sale 24 hours a day, 7 days a week. By syndicating your property to the largest platform available we provide maximum exposure for your home.
